closed on Mondays (except holidays)  
kitchen closes at 9 pm

take-away service  
all dishes except lunch menu can be ordered for take-away

# Tonsai

In Thailand, Tonsai is another name for the Banyan Tree. It's a tree with aerial roots, red blossoms and heart-shaped leaves. It can get more than 1000 years old and is considered a symbol for longevity, durability, reliability and wisdom. Reportedly, Siddhartha Gautama (Buddha) has been enlightened while meditating under a Banyan Tree which was subsequently seen as Bodhi Tree, the tree of awakening.

In traditional (but also modern) Thai culture Banyan Tree is said to be the home of both good and bad spirits. It is therefore met with respect, awe and admiration.

Banyan means „grocer“ or „salesman“ in the language spoken in the Indian Gujarat region where a lot of trading was done under the shady branches of these impressive trees.

We don't want you to come in vain! As we unfortunately do not have much space, please make a reservation in advance.

We wish you a pleasant stay at **TOMSAI**. Enjoy your meal!

Please consider the symbols indicating the spiciness of our dishes:

\* spicy      \*\* hot      \*\*\* very hot

If you have individual wishes please ask while placing your order.  
We hope we can satisfy your needs.

Special requests are charged according to effort or kind:

|     |        |
|-----|--------|
| 852 | 2,50 € |
| 853 | 3,50 € |

Please do tell us if you decide not to take your own car on your way home.  
We are all too happy to call you a taxi.

Some ingredients imported from Asia (as fish balls, chili paste, soy sauce, soy beans...) do contain flavour enhancers.

If you have any allergies, please inform us while placing your order and feel free to ask for information about the ingredients of our meals.
